

English humour

Student: Barsky Ruslan

Project Supervisor: Yaroslavtseva Olga Ivanovna

Aims and Objectives

Aims

- To analyse the features of the English humour

Objectives

- To explore specific features
- To compose the list of methods for jokes
- To take a look on the perception of the English humour by Russians
- To explore the theoretical material

Laugh and humour

- It's hard to imagine life without laugh. It's fact that laugh can extend our life.

Sense of humour is important

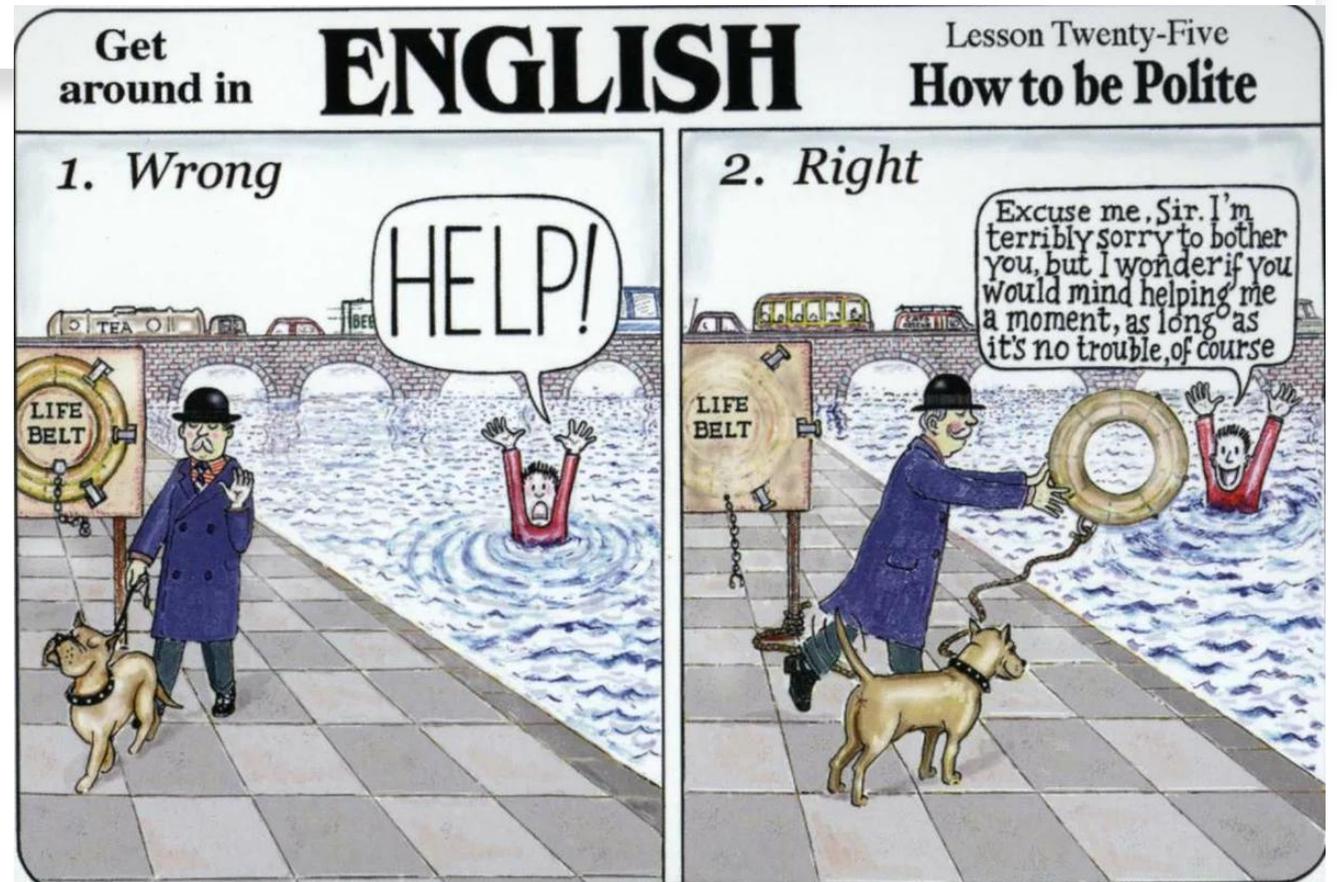

The main theme of the English jokes

- Animals
- Bar jokes
- Blonde Jokes
- Doctor's Jokes about Medicine
- Technology's Jokes
- Politician's Jokes

Leading characters

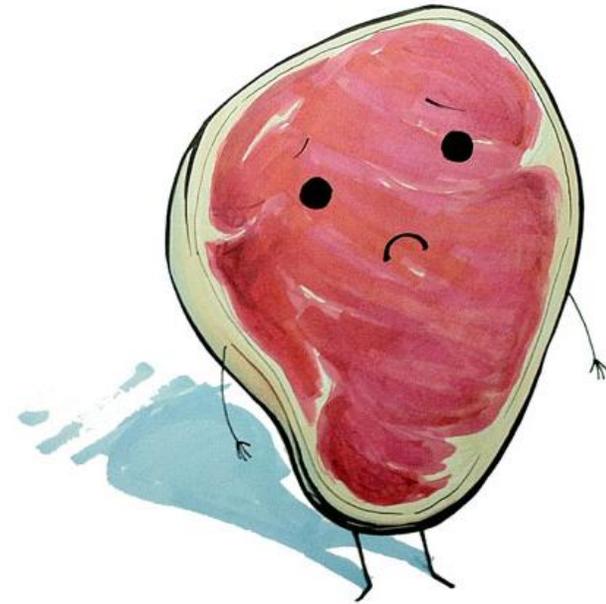

- Gentlemen and their servants
- The Scottish and Irish in the role of idiots
- Policemen
- Butler

Puns

- English people like puns. A pun is a play on words that are identical or similar in sound but have sharply diverse meanings. Puns can have serious as well as humorous uses.

BECOMING A VEGETAR

IS A BIG MISSED STEAK

Aristocracy

- Demonstrative Aristocracy is one of features of the English humour.

Irony

- English people like to find comical in any daily situations.

The Elephant Jokes

- There are some dumb jokes or stories.

What's the difference between an African elephant and an Indian elephant?
About 5000 miles.

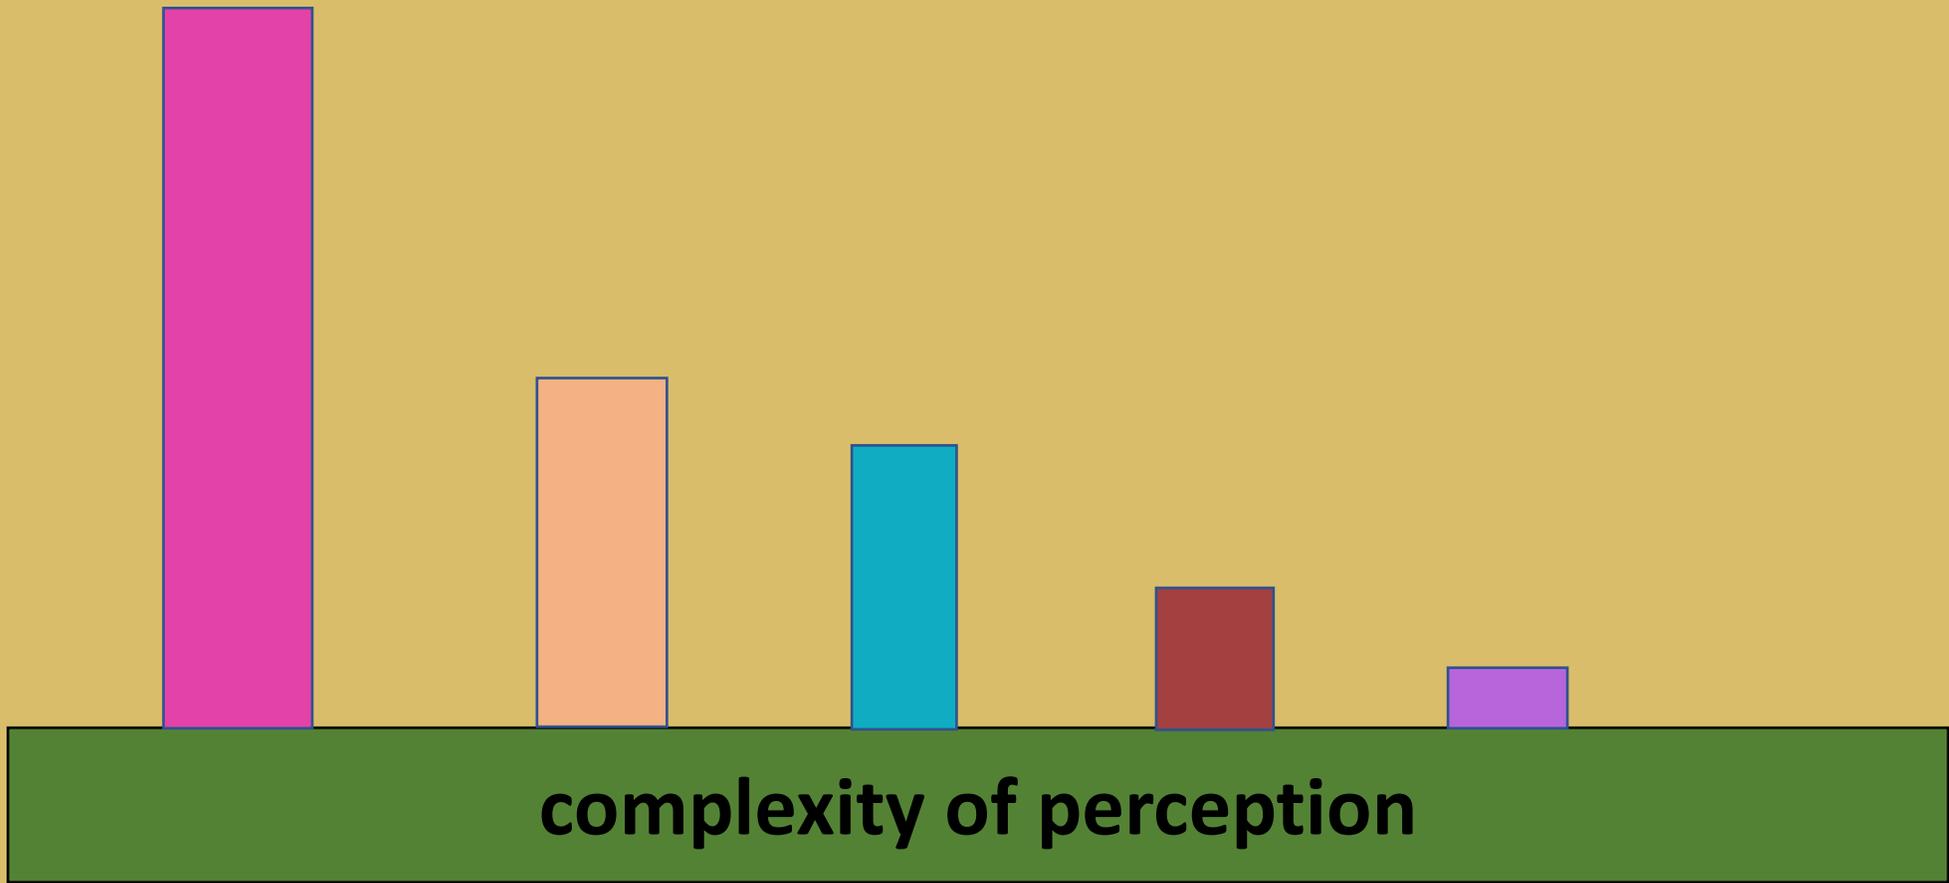

Banana skin sense of humour

- That English people speak about American jokes.

- █ Puns
- █ Banana skin sense of humour
- █ The Elephant Jokes
- █ Irony
- █ Jokes on universal themes

To sum up

Thank for your
attention and be
happy
